Dear Captain Ilja Schulz,

On behalf of all members of the IFALPA Professional & Government Affairs Committee (PGA) being together at the annual meeting in Bogota, we would like to express our full support to the actions taken by the German Air Line Pilots' Association (Vereinigung Cockpit), regarding the ongoing dispute between Lufthansa and VC in relation to the new Collective Labour Agreement.

We are aware that your union has been engaged in a lengthy battle on behalf of your members, as we have followed with interest your efforts over several months and years. VC does have our full support in this struggle to achieve its legitimate objectives.

Please do not hesitate to contact us at IFALPA if we might be able to provide any additional assistance to your members regarding this current action.

Sincerely,

Best Regards,
